Dear Ms. Gilliams,

Thank you for coming in and speaking about a very important issue in our state regarding strengthening the family unity. I have spoken to Representative Dennis Baxley regarding this issue. He is very interested in the legislation. He indicated he may not be able to file this bill himself but he would work with you to help identify a house member that he and you can work with.

Please do not hesitate to call me if you have any questions or need additional help. Also, keep me in the loop as of the status and your progress. Thank you and it was great seeing you again.

Sincerely,

Debbie Mayfield  
State Representative  
District 54
